

Watertown Animal Hospital Newsletter

Welcome to the first edition of the Watertown Animal Hospital monthly newsletter!

We are thrilled to launch this new monthly newsletter as a way to stay connected with our cherished community of pet owners. Inside each edition, you can look forward to finding a variety of valuable content, including:

- **Practice Updates:** Hear about new services, equipment, and introductions to any new staff members joining our dedicated team.
- **Helpful Information & Pet Health Tips:** Get expert advice on nutrition, preventative care, seasonal health concerns, and general wellness to help your furry friends thrive.
- **Current Promotions & Special Offers:** Learn about details regarding our latest discounts on services, products, and seasonal packages.

Our goal is to make this newsletter an informative and enjoyable read, fostering a stronger partnership between our team and you, the loving guardians of Watertown's wonderful pets. We hope you enjoy this inaugural issue!

A Warm Welcome to Dr. Alayna Kinnard

We are delighted to welcome Dr. Alayna Kinnard to our small animal team. Dr. Kinnard brings a gentle touch, modern medicine, and a deep love for dogs and cats. She is now seeing patients and looks forward to meeting you and your pet — helping keep them healthy and happy for years to come.

We are thrilled to share some wonderful news! Please join the entire team in extending a hearty and well-deserved congratulations to Alexa Broadhurst!

We are so proud to announce that Alexa is now officially a Licensed Veterinary Technician (LVT)! This significant achievement comes after successfully passing the rigorous Veterinary Technician National Examination (VTNE).

Angel Tree — North Country Pet Adoption

Watertown Animal Hospital is proud to sponsor an Angel Tree benefitting North Country Pet Adoption. Please stop by the clinic to choose an angel and help sponsor one of our local shelters. Your generosity helps pets find loving homes and comfort this season.

Pet-Friendly Holiday Meals

With the holiday season approaching, it is crucial to be aware of foods that are safe for your pets to enjoy (in moderation) and those that are toxic. Please go to the following link to review Holiday Treats for Pets:

<https://www.aspcapetinsurance.com/resources/holiday-treats-pet/>

Microchipping and Safety

We are strongly advocating for all pets to be microchipped, as this significantly increases the chances of a happy reunion should your pet ever become lost. Information is available on our current microchipping service and registration - please call to speak with a client care representative or technician to ask questions and/or book an appointment.

Year-Round Parasite Prevention

Don't forget to keep your pet on flea and tick preventative! Even during the winter season, ticks can be active and pose a risk to your pet's health.

Prioritizing Dental Health: Year-Round Care and Annual Cleanings

Your pet's dental health is a year-round priority, and annual dental cleanings are strongly recommended.

To promote Dental Health Month, we are offering **FREE dental health kits** following any dental procedure scheduled during the month of February. Call us today to book your appointment!

Book an Appointment with a Licensed Veterinary Technician

Our licensed veterinary technicians are available for a variety of services, **provided your pet is current on their annual exam**. These services include:

- Toe nail trims
- Anal gland expressions
- Annual maintenance blood work
 - Microchipping
